

HMBYC SATURDAY SAILING

Please come to sail on Saturdays. One or more of our Youth Sailing instructors will be available to get you on the water and teach you the finer points of sailing. It's a great chance to go beyond what you have learned in the Sailing class and get some more time at the helm.

You can sail a C-15, dinghy, or a Cal 20. The instructors will have motor boats to assist. You may show up anytime from noon to 4pm.

Time: Sailing from Noon to 4pm

Cost: \$20 (to pay instructors)

You may drop in, or for planning purposes please email:
